

BCC Mail Manager Full Service

There's no limit to what you can do

As a high-volume mailer, there is significant revenue potential in your day-to-day operations. Yet a heavy workload also means potentially sizable postage and labor costs and delivery times. Exceptional productivity is vital to your operations, as is the ability to leverage all available cost savings.

BCC Mail Manager Full Service™ software provides a single solution to meet these goals and more.

Enhance Your Productivity

High productivity is a must in order to meet your deliverables. With BCC Mail Manager Full Service, not only will you increase your efficiency, you'll reduce labor costs.

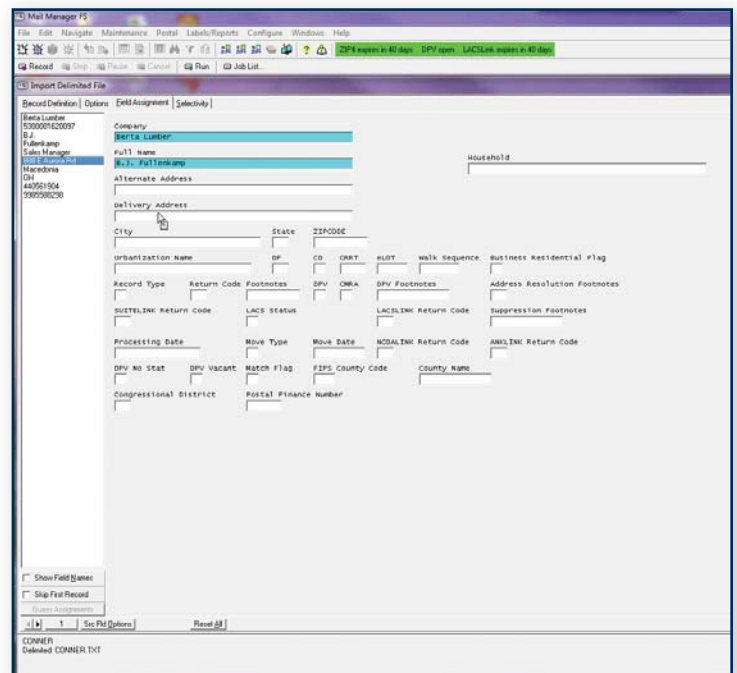

- Fully customize your software to meet growing and changing demands
- Automate mailing jobs to decrease labor costs
- Centralize your software for multiple user access
- Coordinate marketing efforts in advance with tracking capabilities
- Leverage savings from combined mailings without adding resources

Decrease Your Turnaround Time

Customers depend on you to get jobs out the door as quickly as possible.

With BCC Mail Manager Full Service, you'll complete jobs in record time.

- Import files of any size from any source to get jobs underway faster
- Use the built-in, high-speed address matching engine to quickly improve your lists
- Set FAST® appointments quickly and easily from within your presort software
- Analyze the time savings and value of co-mail opportunities
- Generate label proofs without taking printers down

Capture all the elements of your customer data directly into BCC Mail Manager Full Service

Improve Your Relationships

Customer satisfaction is a critical factor to your success. BCC Mail Manager Full Service offers numerous savings opportunities that you can pass on to your customers.

- Provide the ability to track mailpieces throughout the delivery stream
- Pass postage discounts on to your customers for better value and increased business
- Provide quick turnaround times
- Offer unique services that add value to mailings

Increase Your Bottom Line

Every business wants to bring in top revenue while spending as little

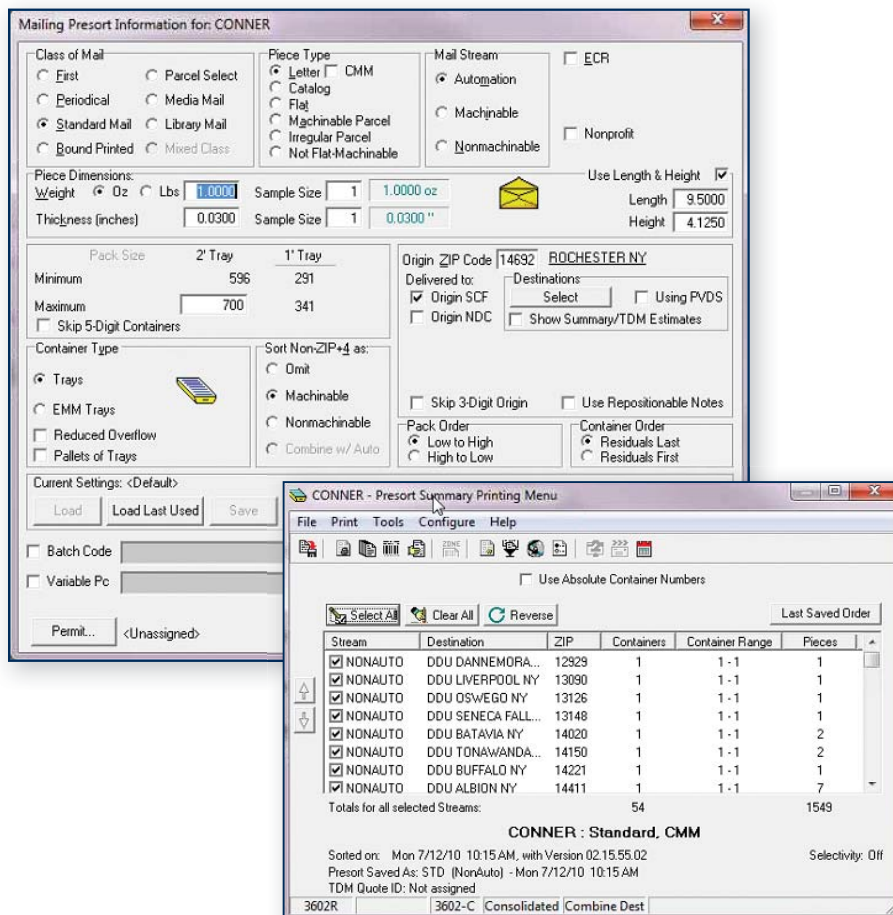

money as possible. BCC Mail Manager Full Service can help you make more for less.

- Automate jobs to decrease labor costs and increase mailing job volumes
- Keep your equipment — software is compatible with all high-end inkjet equipment
- Qualify for multiple postage discounts, including:
 - Intelligent Mail®
 - Multi-piece parcels
 - Bound Printed Matter
 - Co-mail
 - ...and more
- Maximize the accuracy and detail of your address database for greater postage discounts
