

MOVE Manager Option

Put your address-updating power in the fast lane.

Each year, 40 million relocating individuals and businesses slip out of reach of your mailings...unless your lists are up to date.

USPS®-certified Move Update services can speed delivery and help your mailpieces find their targets. And for high-volume mailers, nothing beats Bell and Howell's MOVE Manager—the option for BCC Mail Manager Full Service and BCC Mail Manager users that provides full-time, in-house access to the latest Postal Service™ address-updating technology.

With MOVE Manager, you become your own Move Update service provider (even a provider to others, if you choose), with total control over turnaround times and vendor charges. There's no better way to ensure the list accuracy you need, when you need it. Using USPS NCOA^{Link}® technology, MOVE Manager delivers the move data, security, and processing performance that keeps you running on deadline and on budget.

The MOVE Manager option puts you in the driver's seat—and your Move Update functionality in the express lane. Get ready to get profitable, with Bell and Howell.

Features and Benefits

- Ideal for high-volume mailrooms or service bureaus
- Optimizes in-house list-updating capabilities
- Direct interface with USPS NCOA^{Link} database

- Coordinate marketing efforts in advance with tracking capabilities
- Leverage savings from combined mailings without adding resources

Plenty of Move Update processes can update your lists and help you stay USPS compliant. But for maximum control and the fastest, most up-to-date address correction, the choice is simple.

Ideal for high-volume mailers or when list privacy is a particular concern, BCC's MOVE Manager options put valuable Postal Service data at your fingertips—letting you interface directly with the USPS NCOA^{Link} database from within BCC Mail Manager or BCC Mail Manager Full Service.

Combine your base software's presort power and user-friendly features with the comprehensive postal data available through MOVE Manager for unmatched list-updating performance. Once you've become your own address-correction agent, you can process high data volumes quickly and easily, with no third-party delays or mark-ups.

Contact Bell and Howell today to take the first steps in adding MOVE Manager to your mailroom—and putting your mailings on the fast track to increased productivity and profits.

MOVE Manager Option Level

- **MOVE Manager EU** For your internal lists only. Includes up to 18 months of Change of Address (COA) data.

- **MOVE Manager LSP** Up to 18 months of COA data to update your lists and those of your clients.
- **MOVE Manager FSP** Up to 48 months of COA data for your lists and those of your clients. For Mail Manager Full Service subscribers only.

Please Note: All MOVE Manager levels require independent United States Postal Service® licensing.
